

Washington, D.C. – Congressman Sanford D. Bishop, Jr. (GA-02) issued the following statement after the U.S. House of Representatives voted to pass the health care reform legislation:

“Today is an historic day in the history of our country. This evening I cast a vote that I believe will have a significant impact on improving the lives of Southwest Georgians now and into the future. I believe that when the dust of this vigorous debate settles, and people actually see and learn what is in this bill and how it affects their lives, there will be even more widespread support for it.”
